 Air Stream Camper Club

Do you have a yen for the "good old days" and want to enjoy the simple things in life. Then return to the days of the late 1800's and camp along the banks of the Embarrass River by the site of the 100 year old water driven sawmill with it's scenic waterfalls.

Fish on a class 1 trout stream for Native Brook and Brown Trout. While canoeing or rowing on the mill pond enjoy the beauties of nature.

All in all, it's the finest campground by a "Dam Site".

Visit the old general store and saloon for your camping needs. Shop for gifts and souvenirs
